

Who is Gloria Jackson?

Gloria Jackson always had compassion for the needy and the less fortunate. She started volunteering with a homeless mission on the west side of Chicago in 1992, feeding the homeless while teaching them the word of God. In 1994, she started working internationally

with missions in China, Japan, France and Thailand with the same passion she had shown in the United States.

Gloria was ordained in 1995. She attended Life Changers International Bible Institute in Illinois where she received her Associates Degree. Shortly after this she met a young lady from Africa who invited her to come to her wedding. She accepted the invitation and went to Africa in 2003. Doors began to open for her and she began to actively support malnutrition centers and orphanages with gifts of clothing, food and finances. Her territory is rapidly expanding throughout the continent of Africa and the countries of Italy, Mexico and Belize.

Gloria attributes the success of her mission trips to a great deal of team prayer. The vision for Tapestry of God's Fellowship was revealed through prayer and God's word. She is married with three adult daughters.

Tapestry of God's Fellowship

Sowing a common thread of ongoing Love

A new commandment I give to you

....that you love one another

....even as I have loved you

....that you also love one another.

Tapestry of God's Fellowship

Sowing a common thread of ongoing Love

Tapestry of God's Fellowship is an outreach ministry focusing mainly on children and their families, helping orphanages, street children, widows, nutritional centers and schools.

We have connections with many organizations and churches in Kenya, DRC (Congo), Benin, Togo, Ghana, Uganda, Nigeria, Liberia, Mexico, Belize and Italy where we donate funds, school supplies, clothing, nonperishable food items and bibles.

Vision

The vision of **Tapestry Of God's Fellowship** is to improve the quality of life in the community by providing a Godly and healthy environment for those in need through the development and provision of special programs.

Mission

To equip adults and children with tools to maintain a spiritual, emotional, healthy and independent life in an atmosphere of unconditional love. To share biblical principles through mentoring and team teaching. To provide educational materials and scholarships and coordinate hands-on projects. To sponsor teams to participate in missions.

Our Focus

BIBLES

Imagine living in a world without bibles. An estimated 200 million Africans are without God's written word. How would you learn about Jesus? How would your faith grow?

MALNUTRITION

More than 20 million children suffer from malnutrition. Half of the 9.7 million deaths of children under five each year are caused by this condition.

BICYCLES

The average African has to walk to collect water, go to school and go to work. Walking can take up to 4 hours per day. A bicycle cuts travel time to a fraction and gives families the needed time to earn, learn, develop and grow with each other.
